## GAME STORED AWAY IN THE FIRST TWO INNINGS

Ladies' day again filled the grandstand yesterday. The game, while mainly listless, had its thrilling moments. Kitty Knight was found for ten hits but kept them sufficiently well scattered to prevent the Vigilantes from scoring in every inning except the third. He was materially aided by the three double plays that were pulled off behind him. Woods and Rader were the only Helena players to secure more than one hit from Knight. Ellis alone, of the Cannons, was unable to connect safely. Woolums Cobb and Risberg each drew two hits and Rader and Knight two each. Woolums landed for four bases with nobody on in the second. In spite of the apparent slowness, the game was finished in one hour and thirty minutes. George Wessler, the former Cannon, played second base in place of Quigley. He handled the chances without an error but failed to receive a hit out of four trips to the plate.

First Inning—Daschbach was safe on a bunt that was too slow for Knight to handle. Rader bunted and hit into a double play, Knight to Woolums, to Jones, Daschbach trying to make third on the bunt. McNeil fouled out to Jones.

Dowling made first on Rader's error. Woolums scored. Dowling with a three-bagger, and romped across himself when Crittenden missed the throw from the field. Jones filed out to Lussi. Cobb hit to left for two bases. Risberg singled, sending Cobb to third, and immediately stole second. Rader reached second on Clark's error which allowed Risberg and Cobb to score. Ellis walked. Seabough was safe on a fielder's choice which put Ellis out at second. Knight singled and Rader scored. Dowling grounded out to Clark.

Second Inning—Wessler filed out to Rader. Lussi filed, Dowling to Woolums. Clark filed out to Rader. Woolums lost the ball in the trees and got an easy home run. Jones knocked a three-bagger to right. Cobb got a two-base hit which scored Jones. Risberg singled, scoring Cobb. Rader singled and took second while the fielder dropped the ball. Ellis struck out. Seabough hit to right, scoring Rader and Risberg. At this point Woods retired in favor of Wells. Knight singled but Seabough was held at third. Seabough scored when Woods dropped Dowling's fly to right. But Knight was thrown out at second. Dowling stole second. Woolums walked. Dowling was out stealing third.

Third Inning—Wells singled to right. Crittenden filed out to Cobb. Woods struck out. Daschbach was safe at second and Wells made third on Ellis' error. Rader singled, scoring Wells. McNeil went out, Knight to Woolums.

Jones filed out to Lussi. Cobb filed out to the same place. Risberg singled to right. Rader duplicated the hit, but was out trying to stretch it into a double.

Fourth Inning—Wessler went out to Woolums, unassisted. Lussi filed to Cobb. Clark singled to center. Wells fouled out to Seabough. Ellis and Seabough grounded out, McNeil to Clark, night went down, Rader to Clark.

Fifth Inning—Crittenden filed to Ellis. Woods singled to center. Daschbach hit to Rader. Rader out, night to Woolums.

Dowling doubled to left. Woolums singled, scoring Dowling. Woolums was caught at second, sliding back. Jones struck out. Cobb out, McNeil to Clark.

Sixth Inning—McNeil was safe on Dowling's wild throw to first. Wessler filed to Cobb and McNeil was caught at second. Lussi fouled to Seabough.

Risberg out, Wells to Clark. Rader out, McNeil to Clark. Ellis out to Clark, unassisted.

Seventh Inning—Clark filed to Ellis. Wells singled to center. Crittenden went out, Knight to Woolums. Woods sent Wells to third with a single. Woods was out at second when Daschbach hit into a fielder's choice. Seabough out, McNeil to Clark. Knight was safe on Rader's error, but went out at second when Dowling hit into a fielder's choice. Woolums went out to Clark.

Eighth Inning—Rader got a three-bagger to center. McNeil out, Dowling to Woolums. Wessler fouled out to Jones. Lussi filed to Ellis.

Jones filed to Wessler. Cobb singled to right. Cobb and Risberg went out on a double play, Clark to McNeil.

Ninth Inning—Clark walked. Clark and Wells went out on a double play. Risberg to Woolums. Crittenden singled to left. Woods singled and Crittenden went to second. Daschbach filed to Cobb.

been badly punished by the foul blow.

In the eyes of most American sportsmen in London, and in the view of man Englishmen who saw the fight, this explanation does not seem to offset the fact that Carpentier's manager actually did disqualify Smith, thereby automatically disqualifying Carpentier. There is also a disposition, which is backed up by the motion pictures to doubt whether the great damage to Carpentier was done by the unintentional foul glancing blow, or whether the fact that he could not get up was due to the solid knockout punch that drove him to his knees.

It was very evident to almost everybody at the ringside that Corri's

## FREDDIE WELSH

PHOTOS & INTERNATIONAL NEWS SERVICE

Herewith a shown two characteristic fighting attitudes of Freddie Welsh, the world's lightweight champion, who won the title from Willie Ritchie, the American, in London on the evening of July 7. At the right

Welsh is on the alert for an opening to put over his left jab the blow that enabled him to outpoint Ritchie. While he has the left poised, Freddie never neglects to protect his chin. At the right Welsh is seen in his favorite defensive position. He is slightly crouched and his both hands ready to stop almost any blow that comes his way. At this method of fighting the champion is a marvel.

## MICKEY SHADER WINS HIS GAME FROM SEA GULLS

Salt Lake, July 18.—The Murray yesterday at the Sea Gulls yesterday as though they meant it, and emerged from an interesting contest the victors by a score of 9 to 4. "Lefty Jim" Allen struck out eleven Murray batters, but in the intervals between strikeouts he allowed fifteen hits, half of them of the kind called "timely," one, a double, by "Dutch" Auer in the third, being especially opportune, seeing that it scraped the bases, which were loaded.

## CARPENTIER AND SMITH TO MEET

London, July 17.—London did little today except talk about last night's fight at Olympia. Out of the talk as chronicled in most of the daily newspapers comes evidence that there is practically unanimous agreement on the following points.  
1.—Smith set at rest all discussion of the question whether he actually hit Carpentier when the latter was on the floor, by admitting that he (probably) did. The motion pictures put on view tonight also prove that he did—a harmless, glancing right-hand swing that just grazed the Frenchman's head, exactly as Smith stated last night in giving his version of the incident.

2.—It is a fact, admitted by Referee Corri himself, that "Gunboat" actually received a count of thirteen seconds when Carpentier knocked him to the canvas in the fourth round. This, however, is held not an important matter, because both sides had agreed to let Corri do the counting, and the latter asserts that as he told off the nine counts, he did his best to make them accord with the actual seconds.

3.—The question whether Carpentier was not automatically disqualified the moment his manager jumped into the ring, is disposed of by Corri in the following statement:  
"I was quite prepared to let the fight go on if Carpentier could get up. I have been blamed for being too severe, but, as a matter of fact, I had no desire to end the contest until I saw that the Frenchman had

decision, which was given only after a perceptible moment of hesitation, was due almost entirely to the grand stand tactics of Descamps and the clever acting of Carpentier.

The French champion said today he was entirely willing to meet Smith again, but first wanted to fill some vaudeville engagements and engage in his third contest with Bombardier Wells, whom he knocked out twice. Smith was a very sore and sad fighter today when seen.

"They did me good," he exclaimed. "They just held me up and took it away from me. All I want is another chance at this Frenchman. I am willing to fight him winner to take all, and with as big a side bet as he cares to put up. The sooner such a fight can be arranged the better I will be suited."

There is no doubt a return match will be staged in London very soon. There is an unpleasant rumor being circulated which finds greater credence because of the aftermath of the Johnson-Moran fiasco. This rumor is to the effect that the Smith-Carpentier foul also was framed up for the purpose of getting another \$75,000 gate in fight-frenzied London.

## MAYOR STOPS BOUTS IN SAN DIEGO

San Diego, Cal., July 18.—Mayor Charles O'Neill has served notice on local boxing promoters that no more bouts will be permitted until a new ordinance has been passed. The fight game started during the winter with four-round bouts. Later ten-round bouts became popular, and July 14 a twenty-round affair was pulled off between Leach Cross and "Red" Watson. A ten-round bout has been cancelled.

MILAN OUT OF GAME.  
Washington, July 17.—Clyde Milan, center fielder of the Washington Americans, will be out of the game for at least a month as the result of his collision with Moeller, when both went after a fly in today's game with Cleveland. Milan got a double fracture of the right lower jaw and a wrenched shoulder.

## ONLY TWO HITS ARE ALLOWED BOISE BY GARRETT

Boise, Ida., July 17.—With Schultz on the mound, Butte found Boise easy today and took the game by a score of 6 to 1, evening up the present series, two to two. Garrett, former Helena manager, worked for the Ducks and the ex-Vigilante had the heavy-hitting Irrigators at his mercy. He let them down with but two stinging hits.

Butte played in better form this afternoon than the players have shown since their appearance here. There was less desire to contest decisions and more inside baseball pulled off than the Ducks showed at any other time during the week. Their runs were made on bunched hits, and the Irrigators never had a chance to cut down their lead.

Boots behind Schultz did not help the home pitcher. But Schultz was liberal with his offerings and the Ducks pounded him at will.

## POUGHKEEPSIE NO PLACE FOR REGATTA

New York, July 18.—A protest against conditions at Poughkeepsie, and an outline of plans for a great American intercollegiate regatta at Princeton on Carnegie lake came to-day from Fred Plaisard, veteran oarsman and Columbia assistant coach. He would have the Carnegie lake regatta run off in heats like the English Helly and would bring every college crew in the country to the meet, which would take several days.

"Poughkeepsie is becoming less and less capable of handling the crowds that come to see the intercollegiate regatta, each year," said the veteran coach. "The tidal conditions of the Hudson always treated several crews unfavorably. Take

this last race. Pennsylvania had an advantage of six boats lengths by having the west shore course, while Washington was under a handicap equal to that distance. I tested the water there by having two logs at equal weight float down the courses. The one on the inside course reached the Poughkeepsie bridge, three miles below the start, a half mile in front of the one that had the course in midstream. Does that look as if all the crews had an equal chance of winning?

## MARION STAKE TO BE RUN LABOR DAY

## CHRISTY SENDS MESSAGE TO BOYS

Kansas City, Mo., July 18.—Christy Mathewson, the famous pitcher of the New York Giants has sent a message to the boys of Kansas City.

"Tell the boys of Kansas City if they would be successful, be it baseball or anything else, 'Mathewson's message runs: 'They must learn to cut out doing things that are damaging to their health and character. They must not do such things as staying out late at nights or anything similar that is harmful to them; and they must learn to say 'no' occasionally when their companions suggest something wrongful."

The stalwart pitcher was eating his dinner at the Auditorium Hotel in Chicago, on the New York Club's recent western trip. The Rev. Harry C. Rogers, pastor of the Linwood Boule-

## CHRISTY SENDS MESSAGE TO BOYS

Hartford, Conn., July 18.—The American Association of Trotting Horse Breeders, to be run at the Charter Oak meeting of the Grand Circuit during Labor Day week has been accepted by the Connecticut Fair Association. It will be run on September 10th, Governor's day.

The stake is in two divisions for three-year-olds, trotters and pacers, and is valued at \$8,000. While the entry list has not been made public, it is understood that thirty-one trotters and ten pacers have already been entered.
